

Veolia ES Technical Solutions  
1275 Mineral Springs Drive  
Port Washington, WI 53074

December 20, 2021

Town of Grafton  
1102 Bridge St  
Grafton, WI 53024

To Whom It May Concern:

As you may know, Veolia provides Wisconsin residents with a Household Hazardous Waste (HHW) drop off point in Port Washington on **Mondays only** between 8AM – 5PM. In 2021 we've had drop offs from residents in 28 different local cities, meaning we are seeing quite a few people from outside of our immediate area.

I've attached an updated price list that can be referenced on your website or newsletters for residents in your area. As most residents begin their recycling information search within their own city or county, please make sure any Veolia HHW price list you've provided to them in the past are updated with this new information. The pricing costs are subject to change at any time. So unfortunately as of January 1<sup>st</sup> 2022 cost has gone up.

Could you please provide me with an email address so in the future if there is any changes I could email the updated information to you?

Sincerely,

Deb Volkert  
*Administrative Assistant 1*
